

Education Innovation Awards Recording Guidance

We know that sometimes it can be easier to talk about your idea than to write about it. This **two minute recording** is your chance to tell us in your own words who you are and what your innovation is.

What is the purpose of this recording?

This recording is your chance to show us who you are and give us a feel for your work. This recording is just for application purposes and won't be posted publicly without your permission.

How should I do the recording?

It doesn't need to be perfectly edited and can be very simple. For example, it could be you or a colleague, recorded on a smartphone. Or you could use a screen-recording tool. Make sure the recording is **no more than 2 minutes**.

How do I upload the recording?

If you record on a phone or other camera, please upload it to an online video hosting platform (like YouTube or Vimeo) and copy the link into the application form. **Please make sure there is no password protection on the recording.**

What can I use to record?

All options below are free

- Smartphone
- Camera
- Zoom
- QuickTime
- Loom

<https://www.loom.com/>

What can I include?

- Introduce yourself and your team or organisation
- Tell us about your innovation and how it will address a problem facing education
- Why are you invested in this problem?
- Where do you want to be in 5 years time?
- Why is your innovation exciting!
